Mei Ling Tan

Admin executive, 6 years, wants a future-proof role

Petaling Jaya, Selangor · meiling.tan@example.com · +60 16-000 2202

Summary

Administrative executive with 6 years of experience in a logistics SME. Known for keeping things organised and on time. Now building data and project skills to move into a coordination or data role as AI takes over routine admin work.

Experience

- Administrative Executive, Swift Haul Logistics Sdn Bhd, Shah Alam. 2020 – present.
- Manages scheduling and office administration for a team of 15 drivers and 4 office staff.
- Responsible for data entry of all shipment records into the company ERP system (around 300 records a week).
- Prepares weekly Excel reports for management on deliveries, delays and fuel costs.
- Coordinated the move to a new office in 2023: planned the timeline, booked vendors and kept the budget.
- Trained two new staff members on our reporting process.
- Admin Assistant, Sunrise Trading Enterprise, Kuala Lumpur. 2018 – 2020. Handled invoicing, filing and customer calls.

Education

- Diploma in Business Administration, Tunku Abdul Rahman University of Management and Technology (TAR UMT), 2015 – 2018. CGPA 3.12.
- Currently learning basic SQL online (self-paced course, 2026).

Skills

- Excel (pivot tables, VLOOKUP), data entry, scheduling, record keeping, basic SQL.
- Communication with drivers, vendors and managers; organised and reliable.

Certifications

- Microsoft Office Specialist: Excel Associate, 2022.
- Introduction to Project Management (online), 2025.

Languages

- English (fluent), Bahasa Melayu (good), Mandarin and Cantonese (native).

Activities

- Volunteer at a community food bank, coordinating weekend schedules for 20 volunteers.
